

## Top 10 ways Care.com can make your life easier

Care.com helps you find caregivers for your home and your family, including your children, parents, grandparents and pets. Sign up at [AECOM.Care.com](https://www.aecom.com/care.com) and search for free – AECOM pays your annual membership fee.

- 1 Get 10 days of backup care, subsidized by AECOM.**  
AECOM helps you pay for 10 days of backup care (for children and adults) per year, so all you pay is:
  - \$6 per hour for in-home care, or
  - \$20 per child per day at a child care center.
- 2 Prevent homework blues or prep for college.**  
Whether your child needs help with a specific subject, improving study habits, writing a paper or prepping for the SAT/ACT, Care.com can help.
- 3 Keep your pets looking posh and acting their best.**  
Find caregivers to keep your animal family members healthy, happy and safe with Care.com's broad array of caregivers and services for pets.
- 4 Find summer care and keep boredom at bay.**  
Care.com can help you find a summer nanny, summer day camp, full- or part-time sitter — or a combination of options — to help you keep the kids occupied and active.
- 5 Worry less about Mom, Dad or Nanna with elder care.**  
Care.com can connect you with Master's-level social workers to help you with customized care plans, care coordination and senior or adult care advice. Resources are available for simple tasks like medication reminders and meal prep, to specialized Alzheimer's and dementia care.
- 6 Escape for a date night or other kid-free time.**  
Find, interview, book and pay available sitters near you in just a few steps.
- 7 Find specialized caregivers for your special needs child.**  
Children with special needs require caregivers who are tuned in to their unique challenges based on their disability or diagnosis. Care.com can connect you with specialized learning centers, home tutors, therapists and resources in your community.
- 8 Transition back to work confidently.**  
Care.com can help you find reliable child care, so you can make a successful return to work after parental leave. Not sure about pay? Use Care.com's pay calculator to find the going rate for care in your area.
- 9 Free yourself from chores and errands.**  
Care.com can connect you with errand runners, house cleaners, home cooks or even a personal chef. These multi-tasking professionals are available to help you master the art of running a home.
- 10 Relax on vacation.**  
Use Care.com to find someone to look after your pets and home while you enjoy some downtime with the family.

**BONUS: Breeze through payments and taxes.**

Care.com's HomePay<sup>SM</sup> payroll service makes it easy to navigate the paperwork, payments and taxes for all your household help.
