

## 2023-2024 AECOM Flu Vaccination Pharmacy Voucher

WebMD is partnering with TotalWellness to provide flu vaccination vouchers for the 2023-2024 flu season. The pharmacy card at the bottom of this letter can be redeemed by AECOM employees and spouses one time between **September 1<sup>st</sup>, 2023 and March 31<sup>st</sup> 2024**.

Present the pharmacy card below at a participating pharmacy to receive your **FREE** quadrivalent flu vaccination. Print this form and enter any missing information onto the pharmacy card (name, Employee ID) or use your mobile device to show the pharmacy card and verbally provide your name and ID to the pharmacist (Spouses enter the Employee ID + your date of birth). Preservative free vaccine is subject to availability. Covered vaccines include Afluria Quadrivalent, Fluarix Quadrivalent, Flucelvax Quadrivalent, Flulaval Quadrivalent, and Fluzone Quadrivalent. Preservative free vaccine is subject to availability. **Excluded vaccines include: Fluzone High-Dose Quadrivalent, Fluad Quadrivalent, Flublok Quadrivalent and FluMist Quadrivalent.**

The pharmacy may require that you provide personal identifiable information, including but not limited to your name and birth date. For participation and/or incentive purposes your name & EE ID number may be shared with the sponsoring company indicating that you received a flu vaccination through the voucher program.

### Participating Pharmacies

TotalWellness is utilizing a national pharmacy network which includes all major chains as well as most independent pharmacies. Access the full pharmacy list and search for participating pharmacies by visiting <https://www.totalwellnesshealth.com/pharmacy-2/> or calling the TotalWellness Help Desk at 888-434-4358 x127.

### Prior to visiting your pharmacy

1. Verify flu vaccinations are being offered by your pharmacy this season.
