NOW THAT YOU HAVE YOUR SUBSCRIPTION CARD, KEEP IT SAFE AND WITH YOU AT ALL TIMES.

WELCOME, HELPING & PROTECTING YOU IS OUR PRIORITY

Your subscription with International SOS gives you access to **24/7 worldwide security, health, wellbeing, travel and emergency assistance** in your daily life as well as in emergency situations. You can access our services digitally through our app or portal or by calling through to our Assistance Centres.

DOWNLOAD YOUR ASSISTANCE APP

- 1 DOWNLOAD** the free Assistance App from app.internationalsos.com
- 2 BE INFORMED**

The app not only delivers real time emergency alerts to yourself, it also features preventative personalised pre departure advice and the ability to find a doctor for routine health care whilst abroad or request mental health support.

The Assistance App is critical to your safety, especially in times of emergency. The app enables you to activate Auto Emergency Check-In so if you are in an impacted area during an emergency, International SOS will be able to quickly provide help.

Also getting help when needed or contacting an Assistance Centre is made so much easier with the click to call button, connecting you to the closest Assistance Centre anytime of the day from anywhere in the world.

WHEN SHOULD I CALL AN INTERNATIONAL SOS ASSISTANCE CENTRE?

IN DAILY LIFE

You have free access to speak with a medical, security or wellbeing professional 24/7, they can provide information and advice at home or while away from home. How can they help?

- Speak to our health and security experts for information and advice on health and security matters
- Call before you change location for free advice on how to stay safe and healthy while away from home
- Advice on loss of travel documents
- Arrange a Teleconsultation, as appropriate
- Find a local nurse, internationally trained doctor, mental health professional, or security specialist wherever you are
- Find medication or medical equipment
- Assistance paying your medical fees.

IN AN EMERGENCY

You have access to immediate health and security assistance wherever you are, we help with:

- Arranging medical transportation, hospitalisation and care
- Monitoring your condition and provide advice along the way
- Evacuating you when necessary
- Contacting your family and colleagues as appropriate, so they know you are in good hands.
