Frequently asked questions

Is Optum Home Delivery in my plan's network?

Yes, it's part of your plan's pharmacy network.

Once I've enrolled in home delivery, how long will it take to get my medication(s)?

Medications should arrive 2-5 business days after the pharmacy receives completed new and refill orders.

Do I need to set up a home delivery account?

Yes. Before we can ship your first order, you need to set up your UnitedHealthcare account and provide your payment method (credit card, debit card or bank account). Using your account, you can go online or use the app any time to place and track orders, check prices, and more.

What is a long-term medication?

Long-term medications are those you take on a regular basis. They may also be called "maintenance medications." These may be taken for high blood pressure, cholesterol and depression, just to name a few.

Can I use home delivery for any medication?

Many drugs are available through home delivery. See which of your prescriptions can be filled through home delivery by going online or using the app.

What is electronic prescribing?

It's a way for your provider to send electronic prescriptions to Optum Rx. It is much faster than mailing and faxing prescriptions. Controlled substances can only be ordered by ePrescribe. Some exceptions apply.

Can I set up medication reminders?

Yes. Go online or use the app to check your profile and turn on email and phone notifications and reminders.

How does the automatic refill program work?

Go online or use the app to see and enroll eligible medications. Then, Optum Home Delivery will send your refills when it's time. They will notify you before they ship and they'll use your approved payment method on file. It's that easy.
