

Vision

Just like your medical and dental coverage, you get to choose the vision coverage level, cost, and insurance carrier that are right for you and your family. Make sure to take action so you don't miss out!

Vision Coverage

See how you can benefit from vision coverage.

You have several vision options available that offer a range of coverage — from exams only to coverage for lenses, frames, and contacts. If you want AECOM vision coverage in 2024, you must enroll.

Choose Your Coverage Level

You have three coverage levels to choose from: Bronze, Silver and Gold. See the next page for a comparison of the three coverage levels.

Paying for Coverage

You'll pay the cost of vision coverage with pre-tax dollars. Just like your medical and dental coverage, you get to decide how much you want to pay for coverage. You can choose the coverage level you want from the insurance carrier offering it at the best price.

Coverage for Annual Eye Exams

The Bronze plans only provide coverage for free annual eye exams. They do not cover contact lenses or eyeglasses.

The Silver and Gold plan designs do cover contact lenses and eyeglasses as well as annual eye exams. However, there is a copay for annual eye exams.

In-Network Benefits

When you enroll, you'll be able to see additional coverage details, and any carrier adjustments to standardized plan benefits.
